

## **Job Description: Wash Park Campus Worship Leader**

### **About St. John's**

Our mission is "Connecting People to Jesus." We value relationships, discipleship, and church multiplication. We have about 600 members at our Wash Park Campus. Our Highlands Campus will launch in early 2018.

### **Brief Description**

We are looking to hiring a full-time Worship Leader for our Wash Park Campus. The Worship Leader will report to the Wash Park Campus Pastor and will work closely with the Campus Pastor to create a powerful worship experience. We're looking for a Worship Leader who will view him/herself as a campus leader, who will take personal responsibility for building relationships and equipping team members. The Worship Leader is also encouraged to engage in the wider Wash Park community.

### **We're looking for a team member who...**

- Is passionate about the overall health of team members and the mission of St. John's;
- Places a high priority on building relationships;
- Has tremendous character and spiritual velocity;
- Raises up volunteers to lead with their gifts vs. being the primary "do-er;"
- Cultivates an authentic, genuine, and spirit-filled atmosphere in worship;
- Enjoys the use of technology in worship;
- Knows when to rock out, when to display a softer side, and when to draw from hymnody;
- Works hard to create the right flow and ambiance in worship;
- Can balance our desire to have common elements of worship with our Highlands Campus, while also having a good deal of freedom to minister to the unique context in Wash Park.

### **Necessary Skills**

- Excellent, tasteful musicianship;
- Experienced band leader who organizes team members and communicates clearly;
- Familiarity with worship audio, visual, and lighting technology;
- Proficiency in using Planning Center Online and ProPresenter.

### **Responsibilities**

- Oversee both the Classic and Contemporary worship services.
- Oversee Staff: Classic Choir Director, Organist, Technology Director, and Worship Coordinator;

- Work with the Campus Pastor to create a solid worship flow / order at our 9:45am service;
- Pick the music, rehearse the band, and lead the band at our Sunday 9:45am service;
- Ensure the creation of the ProPresenter presentation for worship services (which is usually done by our Worship Coordinator);
- Work with the Worship Coordinator to coordinate volunteer teams (Audio, Visual, Lighting, Musicians, Ushers, etc.);
- Ensure copyright compliance;
- Develop a mutually beneficial relationship with our Highlands Campus Worship Leader.

**A live worship-leading demonstration will be requested. Thanks!**
